

## **Directions to Leatherwood Ford (Big South Fork Rafting)**

**From Oneida:** Almost everyone comes into Oneida on U.S. 27. On the south side of Oneida look for TN-297. You will head west on Rt. 297 and continue straight until the road comes to a T. Turn left and continue on Rt. 297. Continue on 297, a little over 4 miles, until you see a brown sign that tells you to turn left to head to “Park Headquarters.” Take that left on to Leatherwood RD (still Rt. 297). After about 3 ½ miles you will enter the Big South Fork National River and Recreation area. Approximately ½ mile after entering the park you will come to a large hill, downshift before continuing down the hill. At the bottom of the hill on the right hand side will be the turn for Leatherwood Ford. If you go over the bridge you have gone too far.

**From Jamestown:** Head North on Rt. 127 about 2 miles. Turn right on Rt. 154 and continue about 5 miles. Turn right onto Rd. 297. Follow 297 for about 10 miles until you cross the Leatherwood Ford bridge. After you cross the bridge you will take the first left.
